Bridge Repair at Causton Bluff Bridge

SAVANNAH, GA (May 26, 2016) – On May 31, 2016, repairs will begin at the Causton Bluff Bridge. Normal traffic flow will be diverted from the North bridge on to the South bridge. Work on the bridge is expected to last three to four weeks. The County asks citizens to be patient during these necessary repairs and drive slowly and carefully through the work zone. Drivers should expect some delays during the project.
