

Chatham County Board of Commissioners  
124 Bull Street, Savannah, GA 31401

## **Media Advisory**

**What:** Chatham County Housing Forum

**Where:** Savannah State University – Student Union

**When:** Wednesday, August 17<sup>th</sup> from 8:30 a.m. – 5:00 p.m.

**Why:**

An adequate supply of quality affordable housing is critical to building a healthy and stable community but, like many communities, we are falling seriously behind. Public policies can work against us by contributing to increased housing costs, or we can create policies that support the development and investment in affordable housing.

Housing affords people the opportunity to build better lives. Join Chatham County, City of Savannah and community partners as we explore options and challenge assumptions about what works to build safe neighborhoods and to make housing affordable for our workforce, seniors and special needs populations.

Media should check in with Catherine Neal for request for interviews of speakers and officials. The event is not open to the public.
