Chatham County Is Not Discontinuing Yard Waste Services

SAVANNAH, GA (May 25, 2016) – Despite rumors that were circulated this week, Chatham County Public Works has no plans to discontinue dry trash (yard waste) services. Dry trash is picked up curbside on a regular basis. The schedule is listed in the Yard Waste section of the Chatham County website, publicworks.chathamcounty.org. Dry trash is also accepted at the three solid waste drop off centers: Wilmington Island ([7022 Concord Road](#)), Chevis Road ([763 Chevis Road](#)) and Sharon Park ([50 Kelly Hill Road](#) in Garden City).

Public Works would like to remind residents using curbside service to use paper bags and they should be no more than 50lbs each to ensure the safety of Chatham County employees collecting the dry trash.
