Repairs to Westbound Bridge on President Street at Kayton Canal to Affect Traffic Tomorrow

SAVANNAH, GA (August 25, 2016) – Emergency repairs to the westbound bridge on President Street at the Kayton Canal will be performed tomorrow morning. President Street will be reduced to one westbound lane beginning at Dulany Road tonight in preparation of work starting tomorrow morning. Drivers should use caution through the work zone. We anticipate work to only take one day.
