

INTER-OFFICE MEMO

DATE: March 13, 2001

TO: Chairman and Members of the
Board of Commissioners

THRU: R. E. Abolt, County Manager

FROM: Sybil E. Tillman
County Clerk

SUBJECT: Correction to Minutes of January 26, 2001

A correction to the minutes of January 26, 2001, is in order on Item XII-3, Second Readings. The Board approved the recommendation of the MPC, which was to approve Alternative 2. The minutes incorrectly contained the wording from Alternative 1. Therefore, the minutes should be corrected to read as follows:

Commissioner Murray moved to approve the petition of Paul H. Felser, Agent/Crown Castle Communication (Landings Association, Inc., Owner), and approve the rezoning of approximately 50 acres of R-A zoned property, including the Landings Association Administration and Maintenance Facility property, from an R-A (Residential-Agriculture) classification to a PUD-R (Planned Unit Development-Residential) classification in order to construct a 180-foot monopole telecommunications tower on the Landings Association property.

I apologize for any inconvenience this may have created and respectfully request that the Board approve this correction to the minutes.
